**Subject: Acceptance of Full Paper and Invitation to Fifth International Conference on Geotechnique, Construction Materials and Environment, 16 to 18 November 2015, Osaka, Japan**

---

Dear Prof. Mehran Naghizadeh ,

We are pleased to inform you that after careful review and assessment, the members of the GEOMATE2015 Technical Committee have accepted your full paper entitled **“LIQUEFACTION ASSESSMENT BY MICROTREMOR MEASUREMENTS IN BABOL CITY”** for “Not attend, publish only” presentation at the GEOMATE2015 Conference during Nov.16-18, 2015. It is, therefore, with great pleasure that we extend our formal invitation to you to participate and present your paper in this conference. If there are additional comments/corrections from other reviewers, we would inform you for necessary improvement later on.

Please be informed that the acceptance of your paper is conditional on your pending registration. Please make sure you register before 15th August 2015 for your papers to be included in the proceedings and to be evaluated for GEOMATE2015 Awards. This is strictly necessary for logistics and smooth operation of the conference.

Guidelines for preparing power point or poster presentations are available in conference web page: <http://www.geomate.org>

Should you require more information, please do not hesitate to contact us. We look forward to hearing from you soon.

Sincerely yours,

Prof. Zakaria Hossain,  
GEOMATE2015 General Secretary  
Fifth International Conference on Geotechnique, Construction Materials and Environment,
